

Out-of-District Request Form

Guidelines for request

Students who reside outside the school district who wish to attend #USD 258 schools may make application for admittance. All requests are subject to the approval of the #USD258 Board of Education. Each application is valid only for the school year in which it is requested and approved. The Board reserves the right to rescind the approval of any out-of-district request at any time it is deemed necessary.
